DISCLOSURE OF RISKS: I am aware that snowmobiling, tubing, trips into the backcountry, and any other activity in which I am about to voluntarily engage, bears known and unknown risks which could result in injury, death, illness, mental or physical harm to myself and others, and/or damage to my property or to the property of others. These risks and hazards include but are not limited to: hypothermia; exposure; drowning; windburn; sunburn; frostbite; broken bones; equipment failure; hidden obstacles; changing weather, snow, trail, and water conditions; bare spots; jumps; ice; mines; rocks, stumps; trees; avalanches; collisions with natural or man-made objects, persons or things; roll-overs; variations in terrain; barb wire; fences; railroads; failure of others to participate within their ability; injury from carrying, towing, lifting or dragging equipment; my own physical condition; my own negligence and the negligence of others including HCT; consuming food or drink; the behavior of wild or domesticated animals; transmissible pathogen or disease. Accident or illness could happen in remote places without medical services and emergency treatment. Injuries could occur or injuries could get worse during transport and/or during evacuation.

ASSUMPTION OF RISK: I freely and voluntarily assume and accept the risks of any injury or harm to my person or property, which may result from the risks described above or any other known or unknown risks or hazards related to any activity with HCT. This assumption of risk expressly includes the risk of injury or harm that may be caused by the negligent acts or omissions of third parties including the employees, managers, agents, officers, directors, shareholders, and affiliates of HCT. If I or my actions endanger the safety of myself, other customers or employees, I understand HCT reserves the right to refuse service to me. I will forfeit 100% of the cost for the service or tour. All trips go regardless of weather, this is an all-weather event. I understand that I am responsible to operate the snowmobile safely and within my ability.

This includes claims related to the risks described above, as well as the negligent acts or omissions of HCT or other third parties. I also agree to hold harmless and indemnify HCT, their employees, managers, agents, officers, directors, shareholders, and affiliates from all costs and attorney's fees in connection with any claim which may arise from any activity in which I engage or participate.

INSURANCE, TRANSPORT AND PHYSICAL CONDITION: I understand that HCT is not providing any medical or other insurance benefits for me. I am in good health and have no physical condition, mental condition, disability, impairment, or injury that would be dangerous for me to participate in any HCT activity. I authorize HCT to call for medical transport for me and I agree to be responsible for the expense.

PERSONAL ITEMS: If my personal property is lost, damaged, or stolen, I am responsible and I agree HCT is not liable for it.

MENTAL CAPACITY: I have not consumed any alcohol or used any drugs during the past 24 hours which would impair my current ability to safely operate a snowmobile, ATV, or Side-by-Side, or engage in any other HCT activity, or which would impair my ability to knowingly and voluntarily enter into this Agreement.
